

## **JOHN TYPE - BIO / PRESS / LINKS / CONTACTS**

### **SHORT BIO:**

John Type, a turntablist since 1997, is the inventor of MidiTablism. He won Skratch Kombat 2003 and placed 3rd at the DMC World DJ Team Championships 2008. A producer with Irma Records and platinum-certified releases with Universal Records in Italy, he's also a member of Alien Army and works with Ableton, Vestax, Mixars, and Pioneer DJ. With over 20 years of experience, he's performed at major events across Europe, Asia, and America.
