SHORT BIOGRAPHY

John Type, a turntablist since 1997, is the inventor of MidiTablism. He won Skratch Kombat 2003 and placed 3rd at the DMC World DJ Team Championships 2008. A producer with Irma Records and platinum-certified releases with Universal Records in Italy, he's also a member of Alien Army and works with Ableton, Vestax, Mixars, and Pioneer DJ. With over 20 years of experience, he's performed at major events across Europe, Asia, and America.

PRESS RELEASES

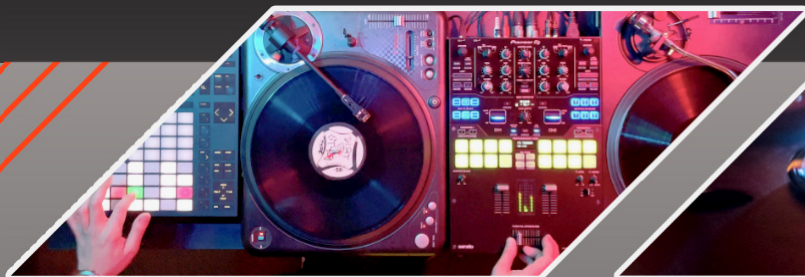

"MidiTablism is a style that combines classic turntablism with modern DJ tools"

"This is one of the first examples of this style of routine that we've seen done well"

"Once again, hats off to John Type. Keep up the really good work"
